Notice

We have noticed a number of issues lately that are causing problems and we would like to address them.

If you are throwing your garbage out and the dumpster looks full, flip the lids over. Often times there is plenty of room in the dumpster, you just have to flip the lid.

If you are throwing out any furniture, please take it down to the extra long dumpster by U Building. T.V.s are **NOT** to be disposed of in the dumpsters.

Make sure you have your pool pass on you when you are swimming. You are only allowed **TWO** guests per apartment and you must be accompanying them.

Proper and clean swimming attire must be worn in the pool. No street shoes, jeans, cut-offs or the like are allowed.

If you get a new vehicle, make sure you register it with the Office. Also if you get a new phone number, please make sure you are updating it with the Office or Gatehouse.

Please be sure to clean up after yourself after using the grill area, and in general when on property. This is not just your home, but our home.
