Gatehouse & Guests

We would like to remind you that to help ensure that your guests have a smooth entrance into Westgate Apartments, call your guests into the gatehouse **before** they arrive! If you cannot be reached by phone, your guests will **not** be allowed to enter.

To be able to properly contact you, we need to always have a current phone number on file for you. We cannot accept alternate phone numbers given to us by your guests.

Also, we will not cooperate with your guest if they do not supply the needed information or become belligerent with the gatehouse.
