Cold Weather Notes

Here are a few tips for a smooth winter season while you are away.

If you are leaving to visit family or friends during cold weather, please keep your heat at a minimum of 50 degrees at all times, as stated in your lease agreement. Make sure all windows are closed and locked completely to help.

In our efforts to clean the sidewalks and parking area of snow and ice, please remember to not park your vehicles too close or where any part of your vehicle covers the sidewalks.

If you are having friends or family visiting for the holidays, remember to stop by the Office to get them a visitor pass.

Please remember that the speed limit on property is 10mph. It is going to be getting dark earlier, please keep an eye out for people walking.
