IMPORTANT

Personal Care Wipes, even though marketed as flushable, do not break down in the sewer system and can result in clogged pipes.

Please do not flush wipes down the toilet.

If you ever have any after hours maintenance issues, please call the Gatehouse at 217-359-4215. If it is an emergency, the

gatehouse can get a maintenance person out here to address it.

If it is not an emergency they can write up a ticket so the maintenance team can address the problem in the morning.

The Westgate Maintenance Staff would be more than delighted to help you install batteries in your smoke detectors or thermostats and also replace light bulbs if you supply the batteries and light bulbs.

It is the responsibility of our residents to supply batteries and light bulbs when they do need replaced. Thankfully the thermostats give you a warning on the thermostat itself. Smoke detectors should be checked every month.

Pets!!

- No pets are allowed to come onto Westgate Apartments property without prior written consent of the leasing office.
- We do have both weight and breed restrictions, so talk to the Leasing Office before purchasing a pet.
 - There is a max of two pets per apartment
- When walking your pet, you must pick up after them. There are Pet Waste Stations around property to help you with this.
